We drive positive change

Are you a professional at the start of your career with an unstoppable need to create positive change, a passion for food and soil and an entrepreneurial mindset? You might want to consider hopping on board and joining us on our quest to prove that tangible positive change can go hand in hand with financial returns.

For more than twenty-five years, Pymwymic has been spear-heading the field of impact investing. Our current fund, the Healthy Food Systems Impact Fund II, invests in early to growth stage companies which are transforming the food system through innovative technologies. By playing an active role in embedding the positive impact of our portfolio companies, we aim to realise long lasting impact.

Is this you?

Your responsibilities

- Deal origination through proactive sourcing, events and general marketing
- Analysis of investment opportunities, including impact, financials and market
- Leading the analysis and reporting of portfolio companies
- Preparation of investment proposals for the Investment Committee

Our wish list

- 2-4 years of work experience in private equity, corporate finance or technical background
- Impact minded with a strong interest in food systems
- Unstoppable urge to strive for excellence
- Self-starting, able to work in a fast-moving environment
- Strong quantitative analytical skills, on top of the numbers and proficient with excel modelling
- Excellent written and verbal communication skills (English fluency)

Ready to join?

This is us

- We are a team of eager beavers who like to outperform expectations
- We are fanatically driven, infected with an incurable need to produce results
- We rely on each other's feedback to continuously learn and improve
- We have all consciously chosen to work for a brighter future
- We'd rather have our feet in the mud than be stuck in an ivory tower

If this sounds like you, we would like to hear from you. Email info@pymwymic.com with 'Investment Analyst' in the subject title and add both a CV and motivation letter. Applications are only considered in English and will be considered on a rolling basis.
